62ND ANNIVERSARY
GEM OF JUNE

The Pearl is the birthstone for June. It was during the time of Queen Elizabeth I, that the Pearl came into its own as a major gemstone. Pearls continue their popularity in fashion today. We have black Tahitian Pearls from the South Seas...traditional Japanese Akoya Pearls in white with cream or pink hues.

Fresh-water Pearls are available in a choice of many different colors including white, pink, green, black, peacock, and even chocolate. Pearls make the perfect gifts. Pearls coordinate with almost all styles, they're a staple to any wardrobe...at any time of life.
